## Save the Date: Ontario Leadership Meetings

CUPE members are under unprecedented attack by the Ford government and members are already beginning to receive layoff notices.

With the threat of legislation to introduce wage restraints and interfere in collective bargaining, it's more important than ever that we organize.

Leadership meetings will be held across the province in June and July to organize our fightback on a regional level.

The following dates have been confirmed, but more will follow:

June 10 – Hamilton  
June 11 – Niagara  
June 12 – Durham  
June 13 – Thunder Bay  
June 17 – Ottawa  
June 24 – Peterborough  
June 25 – Peel  
June 26 – Toronto

Meetings will take place from 1:00-4:30pm. OSBCU members will meet from 4:30-6:00pm. Locations TBA.

Working together with our labour and community allies, we CAN defend an Ontario with quality public services, good jobs for all, and defeat Doug Ford's destructive agenda.
