

Hello everyone,

I hope you are all enjoying your summer and enjoying a well deserved break. Some of our executive and bargaining negotiating team have been busy working this summer attending meetings and trainings.

Further to this I just want to let all of you know as we deal with a new uniform company coming in and a new ordering system for our members. You may hear a lot of grumbling as we transition thru this.

I want to ask that if you have members contacting you to look into ANY uniform issues or questions etc to forward this onto Janice Cochrane and Scott Robinson who are our uniform committee. They will then look into the matters for our members and get back to them.

We need to remind our members that they need to contact the specific executive members or committees and not to contact all of us. And remind everyone to only answer emails or questions or phone calls etc if it pertains to what you handle on the executive.

We need to show consistency and the same message coming out from them to our members. We need to stop the mixed messages.

As well for attendance support questions or concerns you can direct members to Michelle Ivanyi and myself.

Health and safety it is Mario and Michelle Lemieux
